

# Student Dress Code

The College Board has endorsed the dress code for all students attending this college and believes a dress code:

- Fosters and enhances the public image of the College.
- Ensures students are safely dressed for specific College activities.
- Encourages Equality amongst students.

Ellenbrook Secondary College seeks to promote a high standard of dress and personal presentation. It is a public school requirement that students comply with the Dress Code unless they have been granted an exemption. Other jackets or raincoats can be worn over the uniform on the way to College but must be removed on arrival. Any replacement pant, short or skirt items must be the same appearance as the College uniform items and Navy in colour. In particular, shorts and skirts must be worn at an appropriate length.

- Any current uniforms that have an "ESC" are being replaced with our College emblem.
- There will be a transition period of three years. This transition period means you can still wear your current uniform until advised otherwise.

### Footwear

For safety reasons, enclosed footwear must be worn at all times on College grounds.

### Accessories and appearance

Students are encouraged to be sun safe and wear hats whilst in the sun. Hats are not to be worn inside the College buildings. Any garments worn under the uniform such as long sleeve tops should comply with College colours (navy or white).

Excessive make-up or jewellery is not appropriate and should be kept to a minimum. Aerosol deodorants, antiperspirants, hairspray and spray perfumes are NOT permitted to be used or brought into the College due to allergies and safety requirements. Students may bring roll-on/antiperspirants stick varieties, if required.
